For your consent to be effective, your computer and browser will need to meet the hardware and software requirements discussed below.

This Disclosure contains important information that we are required by law to provide to you. You should print or download a copy of this Disclosure for your records.

1. How to Obtain E-Disclosures

We will always post our most current Agreement on our website. If any amendment(s) to this Agreement will result in a significant adverse effect upon OpenSky customers, we will provide at least 45 days prior notice through a secure online message and/or an external email alert.

We may also send you an external email notice and/or secure message to inform you where other important disclosures or account statements can be viewed on our website. You may download or print all electronic notices and disclosures from your computer if you have the hardware and software described below. You can also save copies of electronic notices and disclosures to your hard drive or other media for viewing and printing at a later time.

You can obtain a paper copy of any E-Disclosure by printing it yourself or by requesting that we mail you a paper copy, provided that such request be made within a reasonable time after we first provided the E-Disclosure to you.
